Welcome..

Many thanks for taking the time to look at our hire price list. Please bear in mind that this document is exactly that, a list. It is designed for professional users who know exactly what equipment they require.

If you are a client who needs a complete sound system package please contact us or look at our complete packages on the website. Please also bear in mind that this list omits many of the items we have in stock so if you can't find what you're looking for, please contact us. We stock a huge range of associated consumables so if you need a spare lamp or some tape, please get in touch.

Finally, remember that every job is quoted separately so this list is just a guide, we can usually work out a package price to suit your budget.

Best Regards,

The Magnum PA Hire Team

Please note: All prices are quoted excluding vat and are GBP. Prices are subject to change without notice.
